

Cultural Behavior – USA vs. Germany

1. How long have you been abroad?

2. On a scale from 0 – 10, 10 being perfect and 0 being no knowledge at all, how well did you speak the local language?

3. Did your local region have a strong dialect?

4. Was your social network made up of locals or other expatriates?

5. What things did you find pleasantly surprising about people in your new country (please tell a specific story about your experience)?

6. What things did you find unpleasant about people in your new country (please tell a specific story about your experience)?

7. What things were just weird (please tell a specific story about your experience)?

8. What was your most culturally related embarrassing moment in the new country?

9. What local habits will you never adapt to?
